Do people think God is not serious? Hebrews 7:9-10 says: *One might even say that Levi himself, who receives tithes, paid tithes through Abraham, for he was still in the loins of his ancestor Melchizedek.* The next verses compare Melchizedek to Jesus as our High Priest. His Covenant is the Gospel that saved us! So many take advantage of our freedom and ignore giving! Look at that verse above! Levi is Abraham's grandson 12 generations later!! God sees Abraham's gift to Melchizedek as a benefit to Levi!! Is that scary or reassuring? God knows the number of hairs on our head right now! God says using his 10% part for ourselves is stealing! Is that a sin against the 6th Commandment (Mal.3:8)? Or, if you steal like that, do you think is it not real stealing? Really? Check The **My Giving Goal**: (<http://47.47.51.242:19000/revrmoody/StewardshipFolder.pdf> or www.holycrossdeaf.org > Bulletin TAB > "Stewardship Folder")! Is your heart a Temple and God's Holy Spirit lives there? OR is your heart your temple and you live there? Our sinful life mocks God! God knows the TRUTH! God's hands baptized you and His heart in you will listen to Him AND FOLLOW HIS WORD! IT WILL!!! God gives you all you have and He promises to care for you! **GIVE HIM HIS PART!!**
