

THINKING ABOUT COMMUNION: On the day when Jesus comes again, some people think they will avoid Jesus' final judgement. Jesus' Word clearly tells us: Jesus will send the Angels to gather ALL people to stand before Him (Matt.25:32)! Maybe they want to avoid that because they want to avoid following Jesus today! Jesus will not judge anyone's sins on that day! Did you know that? Why? God already judged Jesus guilty of ALL sin (1 Cor.5:19,21)! AND God's word says: Truly, I will forgive their iniquity, and, from now on, I will not remember their lawless actions, no (Jer.31:34b; Heb.10:17)! People want their own law but the meaning then is there is NO LAW... lawless! But God follows His law perfectly. The meaning then is God already judged Jesus guilty of all sin and His righteousness forbids Him to judge your sin again! So those people pictured as goats in our lesson, why does God judge them guilty and send them to hell? Why? They have no faith actions and, therefore, have no faith or dead "faith" (James 2:14,17,26)! But those people on the right, those pictured as sheep that have faith and follow Jesus, they have faith that follows and does the things God wants. Faith obeys Jesus. Just like you obey and come to receive Jesus' true Body & Blood, the same that died on the cross 2,000 years ago! On that cross Jesus remembered you and, in this Lord's Supper, you receive God's grace & forgiveness. You receive this remembering Jesus' death but also, *do this in My remembrance!* He remembers YOU! **Visitors study 1st before Communing!**
