**THINKING ABOUT COMMUNION:** Evil continues to raise it's ugly head, killing so many people there in a small, Texas Church. BUT we celebrate with the victory God gave those that died with faith in their hearts that trusted Jesus' death & resurrection that saved them forever! AND evil continues to raise it's ugly head in many people like that killer when they say prayer & Church is foolish! WOW! SAD! Those prayer doubters follow that killer to death! Jesus warns us that evil will become worse and worse, causing terrible suffering. Evil will become so terrible but lift up your head to heaven. Why? Jesus promises that the time until He comes again, that time God shortens. Yes! The reason? Evil will succeed in those prayer doubters and God won't be able to save anyone left here (Matt.24:21-22)! WOW! People that gather to agree with those prayer doubters, they are like dead bodies gathering to those false "Christs" (Matt.24:23-26)! Like vultures, they will feast on those dead people that have no faith (Matt.24:28)! But Jesus baptized you! That day, you already died & rose again with Jesus! Now, evil wants to fool you to follow false ways. Jesus will come again & every eye will see Him come (Rev.1:7). He will come quickly, like lightening shines from east to west (Matt.24:27)! While those people sat in Church, thinking about their Savior, Jesus did quickly come and took them home to heaven. We often gather here & see Jesus' true Body that died and the true Blood He shed meet us here; that same Body & Blood that first came to that cross 2,000 years ago; that same we now take eat and drink; that same Jesus meets you here, giving you His same forgiveness and life eternal! WOW! **Visitors study 1<sup>st</sup> before Communing!**

**TODAY'S PRAYER:** Heavenly Father, Your promise is to always walk with us. Here our sin nature enslaves us. During weakness and temptation we fail. We, ourselves, hAve sinned! With Your wonderful and great mercy, forgive us, Your people. Always continue supporting us. Give us strong trust, dependinG on the powerful name, Jesus Christ, Your Son, our Lord and Savior. Jesus will soon Come again. AMEN.

**TODAY'S LESSONS:**  
**JOB 14:1-6** — Every person is born from a woman! Every person's life is short and soon is gone! It is God who controls the length of our lives!  
**1 THESSALONIANS 3:11-13** — Jesus will come again and all His people will come with Him. Paul prays that God will establish our hearts ready with his strength. Then we can stand before God the Father in Jesus' innocence!  
**THE HOLY GOSPEL: MATTHEW 24:15-28** — People will bring evil into God's holy place. That will warn you that time is short and soon Jesus will come again. The most important thing you have is God's gift of faith in your heart. Escape with that only! Also don't believe those false christs! Christ will come like lightening and save His people!
